11:30am – 12:00pm, Fireside Chat

Vindell Washington, MD, Chief Clinical Officer, Director of Health Equity Center of Excellence, Verily Health Platforms

The Health Equity Center of Excellence is not a place or a thing so much as a concept — an organizing principle for the whole company to help better develop solutions that would address inequities in healthcare. One observer likened the Center of Excellence to a catalyst, a way to ensure that things like inclusive trial design happened faster and more smoothly than they had before.
